

COMPANY PROFILE

ABOUT US: MENAT AL KHAIR GENERAL TRADING

At MENAT AL KHAIR GENERAL TRADING, we take immense pride in our robust international presence, anchored by two distinguished headquarters strategically located in the global commercial hubs of Dubai and Khartoum. Supported by an expansive network of over 10 support centers worldwide, our reach enables us to serve a diverse international clientele with unparalleled efficiency and professionalism. Our business operations are built on two primary pillars of excellence:

1. Foodstuff & Natural Commodities We remain deeply committed to enhancing well-being through the distribution of premium food products and natural commodities. Predominantly sourced from the fertile landscapes of Sudan and other key global origins, our products embody the pure essence of nature's bounty, delivered to meet the highest international standards.

2. Mining Industry Solutions Expanding our strategic footprint in the industrial sector, we have established ourselves as a specialized provider of essential materials for the gold mining industry. We focus on the trade and supply of high-purity Silver Liquid Mercury, a critical component for professional mining operations. To ensure the highest quality and safety standards, we source our silver mercury from world-class manufacturers in Europe and Asia. These premium supplies are then exported and distributed to our valued partners and clients across the Kingdom of Saudi Arabia, Sudan, and Egypt. **Our Vision** We strive to bridge global markets by integrating reliable sourcing with efficient logistics. Whether in food security or industrial supplies, MENAT AL KHAIR GENERAL TRADING stands as a symbol of trust, quality, and sustainable growth across the Middle East and Africa.
